ON THE MOVE

Executive, Management and Board Changes in Canada's Oil & Gas Market

Top moves announced in August

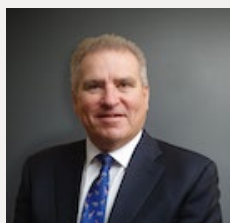

Andy Mukherjee [has been hired](#) as senior vice-president LNG at **Pieridae Energy Limited**. He will lead the Goldboro LNG project. Mukherjee has experience in front-end engineering

and design, detailed engineering, procurement, contracts, construction, and commissioning, including module fabrication and construction related to mega LNG projects and oil and gas in North America and overseas.

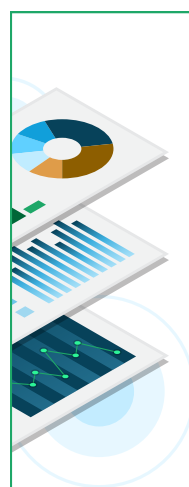

Mark Maki has been named the new chief financial officer at **Trans Mountain Corporation**. Prior to Trans Mountain, Maki spent over 30 years at **Enbridge Inc.** where he held several senior executive roles

both in Canada and the U.S., including president of **Enbridge Energy Partners, L.P.** in Houston, chief accounting officer and senior vice-president of finance, and senior vice-president of corporate planning and sponsored vehicles. Maki resides in Calgary.

John MacCuish (left) [will assume](#) the chief executive officer role at **Horizon North Logistics Inc.** following the departure of **Rod Graham**, who was co-chief executive officer, and president,

modular solutions. Graham will remain a director of Horizon North until the next annual meeting as part of the company's transition plan. MacCuish will also remain president of the facilities management business. **Mark Becker** has been named chief operating officer and will continue to lead as president of the workforce, accommodation, forestry and energy services business.
