Executive, Management and Board Changes in Canada's Oil & Gas Market

Welcome to the February 2022 edition of the *DOB's* On The Move newsletter. Each month, we highlight recent executive, management and board changes. To send your HR move directly to us, for inclusion in the next newsletter, please email your submission to editor@dailyoilbulletin.com.

Top moves announced in February 2022

Pembina Pipeline Corporation [appointed](#) **Scott Burrows** (left) as the company's president and chief executive officer. Burrows, who previously served as the company's

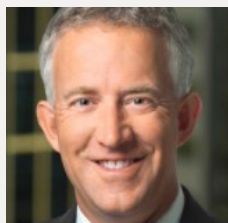

chief financial officer, was appointed interim president and CEO after **Mick Dilger** stepped down late last year. Pembina also appointed **Jaret Sprott**, senior vice-president and chief operating officer, pipelines and facilities; and **Eva Bishop** as senior vice-president, corporate services. Bishop joins Pembina from **BP Europa**, where she served as a non-executive director, and Sprott was Pembina's senior vice-president and chief operating officer, facilities.

PETRONAS Global for 20 years, and has been with PETRONAS Energy Canada since November 2020.

ARC Resources Ltd. [announced](#) several changes to its senior leadership team. **Armin Jahangiri** (left) was named senior vice-president and chief operating officer.

His previous role was ARC's vice-president, operations. **Lara Conrad** (bottom photo), who has been an ARC employee since 2011, is now senior vice-president and chief development officer. Her most recent role was senior vice-president, development. **Ryan Berrett**, now senior vice-president, marketing, was previously ARC's vice-president, marketing. **Lisa Olsen**, now senior vice-president, people and corporate, had been the company's vice-president, human resources.

PETRONAS Energy Canada Ltd. [announced](#) its president and chief executive officer, **Mark Fitzgerald** (left), will transfer to Kuala Lumpur in April. He will serve as **PETRONAS**

Global's vice-president of international assets. In a corresponding move, the company says PETRONAS Energy Canada chief financial officer **Izwan Ismail** will be appointed Canadian president and CEO effective April 1. Ismail has been with

Management and executive changes

- **Ian Anderson** is [retiring](#) from his position as president and CEO of **Trans Mountain Corporation**. The board of directors will begin an immediate process to select a replacement. Anderson's retirement as CEO and departure from the board are effective April 1, 2022.
- **Elisabeth Brinton** [stepped down](#) after less than two years as **Shell plc's** head of renewable energies. Brinton first joined the company in 2018 as global vice-president strategy and portfolio of Shell new energies. In corresponding moves, Shell created two new positions in its renewables leadership group. **Thomas Broström**, who had been senior vice-president of renewables, will be appointed head of renewable generation. **Steve Hill**, executive vice-president for **Shell Energy**, will be appointed head of energy marketing. Both roles report into **Wael Sawan**, head of integrated gas and energy solutions.
- **Blair Eddy** [expanded](#) his leadership role to president and chief operating officer at **Enhance Energy**, effective March 1. A professional engineer who has extensive knowledge of CCUS in Western Canada, Eddy has more than 10 years of involvement with all aspects of the Weyburn CCUS CO2 EOR project. Outgoing president **Kevin Jabusch** will transition to executive chairman, continuing his role in guidance and leadership at the board and executive level, says the company.
- In addition, **Chris Kupchenko** was [appointed](#) vice-president of corporate strategy and development of Enhance. He has 16 years of varied industry experience, including the last three as director of development at Enhance. The company also appointed **Brendan McGowan** executive director of reservoir development. McGowan has led Enhance's technical team since 2015. Enhance also added **Candice Paton** as executive director of regulatory affairs and external relations.
- **Scott Hierath** [joined](#) the **Alberta Chamber of Resources** as its executive director, effective Feb. 1, 2022. Hierath, who has more than 20 years of private and public sector experience, recently served with the Alberta government as senior advisor to the Energy Minister **Sonya Savage**.
- **Chris Lina** has been [appointed](#) to **Kiwetinohk Energy Corp.**'s senior leadership team. With extensive oil and gas, and petrochemical, mega-project engineering and execution experience, Lina steps into the role of vice-president, projects.
- **Braya Renewable Fuels** [announced](#) a new senior leadership team for its **Come By Chance** refinery facility in Newfoundland and Labrador. The appointments include **Frank Almaraz** as chief executive officer, **Jim Stump** as president, **Josh Bailey** as chief commercial officer and **Luigi Trigilio** as vice-president of logistics. Come By Chance refinery is strategically located, with world-class logistics assets, to source global feedstocks and to sell renewable products into the United States, Canada and Europe, said the company.
- **Mohamed Attia** has been [appointed](#) vice-president of geospatial and advanced technology at GeoVerra, a geomatics firm. Prior to this role, Attia was director of pipeline integrity and advanced technologies. He is a professional geomatics engineer with a PhD from the **University of Calgary** and has more than 18 years of professional experience.
- **Robert (Bob) Merasty** has been [hired](#) as executive director of the **Indigenous Resource Network (IRN)**. The former chief of Flying Dust First Nation in Saskatchewan takes over from interim executive director **JP Gladu**, who will continue to support IRN as an advisor.
- **Peyto Exploration & Development Corp.** has [promoted](#) **Riley Frame** to vice-president, engineering. Frame, who joined Peyto in 2013, has spent the last three years as the manager of exploitation, playing an integral role in directing the company's development plans.
- **PetroShale Inc.** has [appointed](#) **Anthony Baldwin** as vice-president, business development. Most recently serving as president of **Crescent Point Energy U.S. Corp.**, Baldwin has more than 17 years of oil and gas experience in leadership and business development roles.
- **Mimi Lai** will be [retiring](#) from **Prairie Provident Resources Inc.** as EVP finance and chief financial officer (CFO) and director to pursue new opportunities. This move will be effective March 31, 2022. The company is currently searching for a new CFO, and aims to have a replacement in place by early Q2 2022.

Board changes

- **Kiwetinohk Energy Corp.** [appointed](#) two new independent directors, **Judith Athaide** and **John Whelen**. Athaide has more than 30 years' experience in the energy, power and utilities, infrastructure, clean technologies, real estate, financial services and professional services sectors. Her areas of expertise include decarbonization, technology as an enabler of transformation and sustainable development. Whelen is a former senior executive at **Enbridge Inc.**, where

he held roles including vice-president and chief development officer, executive vice-president and chief financial officer, among others.

- As a part of **Advantage Energy Ltd.**'s board succession planning, **Ron McIntosh** plans to [retire](#) on May 5, 2022, after 24 years of service with Advantage and predecessor companies. The new chair of the board will be appointed after Advantage's annual general and special meeting in May 2022.
